

Brigands Breakfast

At the Brigands we are please to serve you with the best ingredients which this part of Wales has to offer. All our ingredients come from local producers and suppliers. All our meat including cured meat comes from animals grown on 3 Welsh Farms and is butchered locally. Our bread comes from a local baker and is delivered fresh every day. Our eggs come from local free range and organic producers as do all our dairy, fruit and vegetables. All our breakfasts are cooked fresh to order.
